<input type="checkbox"/> The requester is the data subject. <input type="checkbox"/> The requester is the agent or authorized person of the data subject. (Please fill out details of the data subject)	
<u>Details of Data Subject</u>	
Name - Surname	.....
Contact Number	.....
E-mail	.....
Address	..... .....

Identification Document to Support the Request
Requester's Identification Document
<input type="checkbox"/> A copy of identification card (for Thai nationals)
<input type="checkbox"/> A copy of passport (for non-Thai nationals)
Authorization Document (in case the request is being made on behalf of the data subject)
<input type="checkbox"/> Letter of authorization granting the authority to the requester to act on behalf of the data subject, as specified in this form, signed by both the data subject and the requester and dated prior to the date the request is submitted

Remark:

The Company reserves the right to inquire for information or call for additional documents from the requester. If the information received cannot clearly show that the requester is the data subject or the agent or authorized person, the Company reserves the right to reject your request.

Any request for the exercise of the right specified above may be limited by conditions and exceptions under applicable laws. The Company may reasonably and lawfully deny your request in certain circumstances

In general, the requester will not be charged for fulfilling the request. However, if the request is manifestly unfounded or excessive, the Company may charge a reasonable fee for complying with such request.

The Company will consider the request and notify the data subject of the result within 30 days from the date the request and all necessary information and documents are received. The Company may reject a request from the data subject if permitted by laws.

I acknowledge that I have fully read and understood the content of the request. I affirm the integrity and accuracy of the information provided to the Company. In witness whereof, I hereby affix my signature below.
